#### Important Information for you to know:

- September Start Up
- Report Card Access
- School Supplies

## September Start Up

While families are gearing up for summer, we're already well into planning for September (and of course looking forward to summer break!).

School starts Tuesday, September 8th from 9:00—11:30 am. Students will return to their last year's classroom by either lining up in the same spot, or entering the school when the first bell rings.

School starts at regular time on September 9th with students continuing in their 2025/26 classrooms until classes are finalized. **Please do not bring school supplies until your child is moved into their permanent classes.** A pencil and some felt pens or pencil crayons will do until we move classes.

Please be advised, that once you register at Braefoot, you are registered for the duration of your child attending. You **DO NOT** need to register every year. If you have changed your address and are no longer in the Braefoot catchment, you are welcome to stay. You do not need to transfer to your new catchment school.

## Report Cards—Parent Connect

Report Cards will be available online on Thursday, June 25th. Please use the following link to view them:

<https://parentconnect.sd61.bc.ca/Identity/Account/Login?>

If you need assistance, the following link will give an overview Parent Connect instructional video + information.

<https://www.sd61.bc.ca/parent-student-resources/parent-connect/>

## School Supplies

Our school supplies lists are available on our school website:  
<https://braefoot.sd61.bc.ca/>

We ask that you keep supplies home until classes are set. Please only send your child with a pencil and colouring materials until we move into our permanent classes.

# SUMMER

As the school year comes to a close, we would like to wish all of our students and families a safe, relaxing, and fun-filled summer break!

We hope the months ahead provide opportunities for rest, adventure, family time, and creating wonderful memories together. Thank you for your partnership and support throughout the year. It has been a pleasure watching our students learn, grow, and thrive.

We look forward to welcoming everyone back in September and seeing our students' smiling faces ready for another exciting year of learning.

Have a wonderful summer!
